LAST VICTORY LOAN

\$4,500,000,000.00 TOTAL AMOUNT—
TO REJECT OVERSUBSCRIPTIONS

TO COMPLETE THE SERIES

Official Campaign April 21 to May 10—
Interest 4 3-4 Per Cent for Par-
tially Exempt Notes.

Washington, April 14.—Terms of the Victory liberty loan were announced yesterday by Secretary Glass. They are:

Amount \$4,500,000,000, oversubscriptions to be rejected. Interest 4 3-4 per cent for partially tax exempt notes, convertible into 3 3-4 per cent notes wholly tax exempt. Maturity four years with the treasury reserving the privilege of redeeming the notes in three years. The 4 3-4 notes to be issued later also may be converted subsequently back into 4 3-4 per cent notes.

The 4 3-4 per cent securities are to be exempt from state and local taxation, excepting estate and inheritance taxes, and from normal rates of federal income taxes. The 3 3-4 per cent securities are exempt from all federal state and local taxes except state and inheritance taxes.

Smaller Than Anticipated.
The size of the loan was much smaller than had been anticipated by most financial observers, who looked for an issue of about \$6,000,000,000, particularly in view of Secretary Glass' past statements that the loan would be five or six billions.

This will be the last Liberty loan Secretary Glass explained, although there will be other issues of government securities to finance belated war expenses. These will not be floated by popular campaigns.

None of the past issues of Liberty bonds are convertible into Victory loan notes, and there are no specific provisions in the terms of the Victory issue serving directly to maintain market prices of past issues.

Drive Opens April 21.
In many communities the selling campaign already has begun actively, without formal acceptance of subscriptions, said reports today to the treasury, although the official opening date is April 21, one week from tomorrow. The drive will continue three weeks, until May 10.

Bear Interest From May 20.
"The notes of both series will be dated and bear interest from May 20, 1919, and will mature on May 20, 1923. Interest will be payable on Dec. 15, 1919, and thereafter semi-annually on June 15 and Dec. 15, and at maturity. All or any of the note may be redeemed before maturity at the option of the United States on June 15 or Dec. 15, 1922, at par and accrued interest."

The interest rate of 4 3-4 per cent is the highest borne by any of the war issue. Financial interests have urged a 5 per cent rate, but Secretary Glass indicated recently that he regarded such a rate as excessive and speculation as to the rate recently was revolved about 4 1-2 per cent. The 3 3-4 rate of the tax exempt note into which the 3 3-4s are convertible is 1/4 per cent higher than the tax exempt first Liberty bonds, which mature in thirty years.

No Oversubscription.
The coming loan is the only loan since the first on which oversubscriptions have not been accepted in whole or in part. Compared with the \$6,993,073,000 subscriptions of the fourth loan the aggregate of the Victory issue will be nearly \$2,500,000,000 less.

Already \$5,355,000,000 certificates of indebtedness have been issued including the current issue, in anticipation of the Victory loan, but \$600,000,000 of these have been called in for immediate redemption. There will remain out-

standing 600 more certificates than proceeds of the Victory loan, to be met from tax receipts or from proceeds from future issues of certificates.

Terms of the Victory issue may be compared with the following terms of past issues:

First loan, \$2,000,000,000, 3 1/2 per cent, tax exempt, maturity thirty years.
Second loan, \$3,000,000,000 offered, \$4,617,000,000 subscribed \$3,808,000,000 accepted 4 per cent, partially tax exempt, maturity twenty-five years.

Third loan, \$3,000,000,000 offered, 4 3-4 per cent, partially tax exempt, \$4,176,000,000 subscribed and accepted, maturity ten years.

Fourth loan \$6,000,000,000 offered, \$6,993,073,000 subscribed and accepted, 4 1/2 per cent partially tax exempt with special conditional exemptions for past issues, maturity twenty years.

War savings stamps bear the equivalent of 4 per cent interest, and mature in five years.

WAGNER ASKS FOR DIVORCE

Farmer Recently Found Not Guilty of Incest Charge Files Petition in Circuit Court.

William Jacob Wagner, the man who was recently found not guilty on a charge of incest by a jury in the Circuit court, filed a petition for divorce from his wife, Sarah Ellen Wagner, this morning. The case will be heard at the September term of court.

The couple was married October 1, 1895 and have four children, Grace Alice, 15 years old, the prosecuting witness in the recent case; Cora, 10, Sadie Ethel, 7, and Marion Ora, 3. One son, Fletcher, 21 years old, is also living at home with his parents.

In the petition, Wagner alleges that his wife has made life "intolerable" for him since their marriage, and that she allowed the house to become "dirty and rotten with filth, and would not keep the children clean." He also gives as grounds for the divorce that she continually "quarrelled and nagged him" without provocation, and on several occasions threatened to take his life.

Wagner further alleges that his wife was instrumental in causing his arrest on the incest charge, and that she has continually attempted to ruin his reputation.

He asks complete custody of the children.

THE INCOME TAX EXPLAINED

Letter Received by County Smith Today Gives Opinion of Supreme Court.

The clause of the State Income Tax regulations, which states that any person or corporation which shall have paid a tax assessed upon his real or personal property to the State may be permitted to present the receipts to the collector and receive due deduction from the amount of income tax which he is to pay to the State, is explained in a letter to County Clerk Smith from the State Auditor this morning.

The letter follows:
To the Collector:
Dear Sir:—The Supreme Court has handed down an opinion in regard to the Income Tax Law and especially on Section 32, which provides for credit of State taxes paid on real and personal property.

Under this opinion, the taxpayer should present his receipt, to the Collector, for State taxes paid on real and personal property and receive credit for the full amount of said state taxes paid, which income taxes are due in the same year and payable at the same time as general taxes.

They also hold under this opinion that the Collector, not the Assessor, shall give credit on income taxes for the amount of State taxes paid on real and personal property.

Very truly yours,
GEORGE L. HACKMANN,
State Auditor.

ANTI-SALOON MEN TALK

G. Edwin Berth and W. S. Foreman, Prohibition Leaders, Speak at Christian Church—Other Speakers.

G. Edwin Berth, superintendent of the Kansas City district of the Missouri Anti-Saloon League, spoke at the Christian church yesterday morning in the interest of the temperance movement, while W. S. Foreman, editor of the American Issue, the national temperance newspaper, gave the address at the evening service.

In his talk, Mr. Berth brought out that although the victory has been won by the temperance advocates, a continual effort must be made by them to prevent the opposition from placing the saloons back in existence. "The action of the President in eliminating the saloons," said Mr. Berth, "is merely a war measure, and we must continue the fight until the saloon is put out forever."

Mr. Berth said that the issue now is not one of the "drys" in a wet territory but of the "drys" in a dry section. "The change is one of the greatest aids to our movement," he said.

Dr. William F. McConn presented the same issue at the Methodist church, South, yesterday morning, and his discourse was a masterful one and left no doubt in the minds of his hearers as to what disposition should be made of John Barleycorn.

Rev. W. C. Shoop of St. Louis, appeared in the Presbyterian pulpit at the morning hour of worship, upholding the cause of prohibition.

OPEN CHURCH DRIVE

CENTENARY CAMPAIGN STARTED AT FIRST M. E. CHURCH SUNDAY

TO CONTINUE ONE WEEK

Reports to Be Given at Dinner Tonight—\$5,200 for Annual Church Budget.

Fourteen members of the First Methodist Episcopal church, under the direction of Dr. Gilbert S. Cox, began a systematic canvas of Maryville homes yesterday, in the interest of the centenary campaign to raise \$10,700 during the coming week. The drive by the Methodist church is a part of the great national wide reconstruction movement being made by Protestant churches of the United States for the purpose of raising funds to be used in rebuilding the war devastated lands of Europe and the spreading of Christian doctrines to the farther most corners of the globe.

The workers who started on their campaign yesterday will make a report of the contributions which they have received during the first two days of the drive at a dinner which has been arranged to take place at the Linville Hotel tonight. New plans for an efficient carrying on of the drive will be made and the members of the various teams will tell of the manner in which the best results may be accomplished. It was announced by Dr. Cox today that several dinner meetings will be held during the week at which the workers will gather and make their reports of the progress of the drive.

The campaign in this city will end next Sunday, April 20, and the completed results will be announced from the pulpit of the First M. E. Church at that time.

Of the total sum to be raised, \$5,520 is to be used in the centenary movement, while \$5,200 is to be raised as the annual church budget.

TO SUPPORT ITALY

REPORTED THAT REVOLUTION IS IMMINENT IN THAT COUNTRY

PRESIDENT TO EXPLAIN

Outlook Brighter Than at Any Time During Conference—Danger Still Remains.

Paris, April 14.—Italy's demands were considered by the "Big Four" today, with Foreign Secretary Balfour sitting in for Lloyd George who is returning to London. The United States it is understood, is ready to support the Italian economic position, which is a great help to Italy, where it is reported a revolution is imminent. Italy's demands are very broad, and it is believed that some of the Italian delegates themselves are convinced that they cannot get all they are asking for. The announcement that President Wilson will probably issue a public statement sometime during the day, created a sensation in Paris, and it was first rumored that a break was imminent. This was immediately denied, however, at the Parisian "white house." It was later explained by the President that he believed the time ripe to explain certain matters of detail connected with the proposed peace treaty. The outlook today was better than at any time since the opening of the conference. However, the entire situation is fraught with dangerous possibilities which might over turn everything on short notice.

SHARP REDUCTIONS IN YOUR SHOE BILLS

"A constant 'hiker' over all con-
ditions of roads, my shoes were hard
on my feet until I discovered Neolin
Soles. And as for wear! Neolin
Soles give twice the service of soles I
formerly used," writes H. Noyes
Collinson, Hazelton, Pa.

This long service means sharp re-
ductions in those big shoe bills, for it
is because of worn out soles that most
shoes are discarded. Buy Neolin-
ened shoes, not only for yourself, but
for the whole family, children in-
cluded. Also, take your old shoes
to the repairman and have them re-
bottomed with Neolin Soles.

Remember—Neolin Soles are water-
proof, as well as comfortable and long-
wearing. They are created by Science
to be all that soles should be, and are
made by The Goodyear Tire & Rub-
ber Co., Akron, Ohio, who also make
Wingfoot Heels—guaranteed to out-
wear all other heels.

The Function of The Standard Oil Company

(Indiana)

THE Standard Oil Company of
Indiana is a great service or-
ganization whose chief func-
tion is to serve the public well by
buying crude oil wherever it may
be obtained; by refining it into
numberless products, useful, help-
ful, and necessary to the well-being
of the world, and by distributing
these products widely, so that they
shall be instantly available to the
consumer wherever he may live.

Refineries and bulk storage, occupying
thousands of acres and representing a cash
investment of tens of millions of dollars,
are required, to keep the flow of products
steady.

Distributing centers from which Standard
Oil products are delivered to individual
customers are maintained at more than
four thousand points in eleven states.

Thousands of motor trucks, which deliver
the products to our customers, round out
the most complete distribution system
in the world.

In addition to these necessities, the Stand-
ard Oil Company maintains at all times
sufficient additional equipment to meet
any emergency. This was proved by the
efficient work of the Company during the
trying days of the great world war.

A joint debate was held Friday even-
ing April 11 at Ravenwood between
Ridgeway and Ravenwood high schools.
The question debated was "Resolved
That the formation of a National Labor
party would be for the best interests
of the laboring class of people in the
United States." The debaters from

FOR SKIN TORTURES

Zemo, the Clean, Antiseptic
Liquid, Just What You
Need. Is Not Greasy

Don't worry about eczema or other
skin troubles. You can have a clear,
healthy skin by using Zemo ob-
tained at any drug store for 35c, or
extra large bottle at \$1.00.

Zemo generally removes pimples,
blackheads, blotches, eczema and ring-
worm and makes the skin clear and
healthy. Zemo is a clean, penetrating,
antiseptic liquid, neither sticky nor
greasy and stains nothing. It is easily
applied and costs a mere trifle for each
application. It is always dependable.

The E. W. Rose Co., Cleveland, O.

debate the Ravenwood boys have won.
Leslie Powell and Frank Monnett de-
feated Barnard and Eldon Steiger and
Kenelm Thrasher defeated Burlington
Junction. The Ravenwood team will
meet Plattsburg at Maryville some-
time in May. The Ravenwood boys
have won the championship of debat-
ing in Nodaway county and the com-
ing debate will decide who are the
champions of Northwest Missouri As-
sociation.

Close of School.

Fryar school, two miles south of
Ravenwood closed a successful term
of school Friday, April 11. Mrs. Roy
Teaney has been the teacher for the
past two years. At noon the patrons
came with well filled baskets and a
basket dinner was served. In the
afternoon a program was rendered
by the teacher and pupils which was
enjoyed by all. During the term there
was an enrollment of twenty-seven
different pupils with an average at-
tendance of seventeen a day. There
were only sixteen tardy marks during
the term of eight months. The follow-
ing prizes were given to the pupils
attending every day being neither
tardy nor absent: Gold knives and
chains to Edgar Ditamore and Earl
Adwell and fountain pens to Hazel Di-
amore and Curtis Pittensbarger.

NO SHEEPSKINS THIS YEAR.

Columbia, April 14.—College grad-
uates will receive no sheepskins this
year, according to Thomas O'Shaugh-
nessy of Chicago, diploma specialist,

who said recently that graduation
certificates are being issued on plain
paper, camouflaged to resemble parch-
ment. America relied on Europe for
its stock of diploma material, he said,
and the supply was exhausted long ago.
None is being shipped at present.

How Long Must I Suffer From the Pangs of Rheumatism?

Is there no real relief in sight?

Doubtless like other sufferers, you
have often asked yourself this ques-
tion, which continues to remain un-
answered.

Science has proven that your
Rheumatism is caused by a germ in
your blood, and the only way to
reach it is by a remedy which elimi-
nates and removes these little pain-
demons from your blood. This ex-
plains why liniments and lotions can
do no permanent good, for they

cannot possibly reach these germs
which infect your blood by the mil-
lions.

S. S. S. has been successfully used
for Rheumatism for more than fifty
years. Try it to-day, and you will
find yourself at last on the right
track to get rid of your Rheuma-
tism. You can get valuable advice
about the treatment of your indi-
vidual case by writing to the Chief
Medical Adviser, Swift Specific Co.,

A GREAT DAY FOR A Bigger Barnard

Big Auction Sale of 40 Choice Lots

Thursday, April 17, 1919

Commencing at 2:00 p. m.

Free: \$50 in Gold and \$150 Lot to be given away Absolutely Free

We will give away on the day of sale, **ABSOLUTELY FREE**, a building Lot valued at \$150 and \$50 in gold. Every person over the age of 18 years, who attends this sale, can participate in the free distribution of the beautiful building lot and the Gold.

The E. L. Hagen Property

We have purchased of Mr. E. L. Hagen his valuable tract of land,
which lies just north of the school building and only a few min-
utes walk from the business center of the city of Barnard. It is
the most desirable tract of land in Barnard for building purposes.
We have sub-divided it into lots and on Thursday afternoon, April
17th, at 2:00 p. m., will sell them at public auction to the highest
bidder. This is the cream of Barnard property. It is high and
dry. We will grade nice streets and do everything to make it a
beautiful addition to beautify the growing little city Buildings must
be erected in this town for those who wish to make this city their

home in the future. Real-estate here is a good investment and
those who wish to make safe investments will find these lots not
only safe investments, but property that is sure to enhance in
value and any man or woman who expects to make Barnard their
home in the future to educate their children will act wisely in pur-
chasing lots in this beautiful addition. If you do not contemplate
building for a year or two it will pay you to buy now. We are go-
ing to sell them at your own price on easy terms. After we sell
these lots and they get in the hands of future home builders and
speculators you will have to pay double or perhaps triple the
amount for a lot you can buy it for on Thursday, April 17, 1919.

Barnard and Nodaway County

Barnard is one of the best towns to be found in the state of Mis-
souri, or any other state, for that matter. It is located in a good
farming community, and is the trading center for a large scope of
country. In Barnard you will find in every sense of the word, live,
up-to-the-minute people; as pretty section of the country as your
eyes ever feasted upon; excellent educational institution, church
and moral influence of high order and every other advantage de-
sired in a modern town or community.

Barnard has two good banks which are among the strongest in
the State and whose officials are courteous, efficient and liberal.
They are for Barnard and Nodaway County, which is an asset that

will develop any community. Almost every conceivable line of
business is represented in Barnard, and the merchants, business
men and officials are of the higher class of men and would give
backbone to a city times the size of Barnard. The merchants carry
large and up-to-date stocks and do business on the "live and let
live" plan. The school is one of the best in the state for a town
of the size.

The wise investor will not be slow to recognize the future that
is in store for Barnard, and also the fact that opportunity is knock-
ing at the door of those who own property in Barnard. Buy a lot
Thursday, April 17, 1919. Sale starts promptly at two o'clock.

We will take U. S. Liberty Bonds of any issue at market value, for first payment. If you want to pay all cash we will accept them at face value for the deferred payments.

HOW'S YOUR BLOOD?

Pimples and Eruptions Mean Bad Blood

People who have impure or impover-
ished blood should be careful to take
only a temperance remedy made of wild
roots and herbs such as Dr. Pierce's
Golden Medical Discovery is and has
been for nearly 50 years. Ingredients
printed on wrapper.

The first day you start to take this
reliable medicine, impure germs and
accumulation begin to separate in the
blood and are then expelled through the
eliminative organs.

In place of the impurities, the ar-
teries and veins gradually get fresh
vitalized blood and the action of this
good blood on the skin means that pim-
ples, boils, carbuncles, eczema, rash,
acne and all skin blemishes will disap-
pear. Then you must remember that
when the blood is right, the liver, stom-
ach, bowels and kidneys become healthy,
active and vigorous and you will have
no more trouble with indigestion, back-
ache, headache.

Get Dr. Pierce's Golden Medical Dis-
covery to-day at any medicine dealers,
in tablet or liquid form, or send 10c for
trial package to Dr. Pierce's Invalids'
Hotel, Buffalo, N. Y.

Atchison, Kans.—"For a great many
years Dr. Pierce's Golden Medical Dis-
covery has been our household remedy.
In one instance especially I found it to be
wonderful. When my boy was convalesc-
ing from scarlet fever he had breaking out
in blotches all over his body, face and
limbs. One bottle of 'Golden Medical
Discovery' completely cleared up his skin
and also proved a splendid tonic. Person-
ally I have found the 'Discovery' splendid
for bronchial troubles and catarrhal con-
ditions."—Mrs. J. E. Mills, 710 Atch-
ison St.

HAVE you selected your Easter apparel? You will want to look your best at
Easter time and in order that you may have the best in style, quality and work-
manship we have put forth every effort in the selection of our Spring Stocks

will retain the style for months to come.

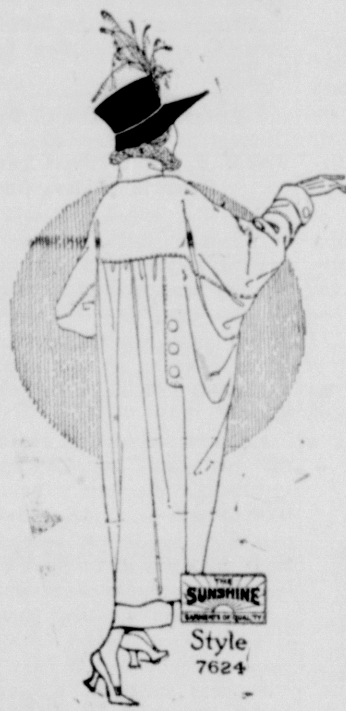

Many are now choosing their Spring wardrobe from our Easter showing, which comprises the newest and most
exclusive in all lines. Come now and make your selection while the assortments are at high tide.

EASTER MILLINERY

Easter time would mean very
little to most women and girls if
they were not permitted to dis-
play a new bonnet. And why
shouldn't you have a new bonnet?
They are the crowning point to
the other Spring apparel.

Our Easter assortment includes
shapes direct from the designers
and so new that Spring seems de-
layed by comparison. A beauti-
ful array of black, colors and com-
binations that will contrast or
harmonize with any costume.

Make your selection now so
that our trimmer will have ample
time to make any change you may
desire.

ATTRACTIVE STYLES

Style is a potent factor in
ladies' garments this Spring.
Fashion is on the rebound. Away
with the sternness of military in-
fluences—women again will have
their frills.

You, who have tired of the very
thoughts of war, may now in-
dulge your fancy in garments
pulsing with vim and vivacity—
and foreseeing this turn, we have
gathered a really splendid as-
semblage of tailored cleverness
for your choosing.

Beautiful tailored suits, coats,
capotes, Dollmans, dresses, blouses,
skirts and petticoats—values that
are really a marvel

Come and try on some of these
new creations.

EASTER HOSIERY

The extensive use of oxfords and pumps, this
Spring demands neat fitting hosiery.

We feature the Wayne Knit, Phoenix, and Gor-
don hose in black, white and colors, both in silk,
lisle and cotton. These are full fashioned hose—
knit to fit and give service.

SPRING NECKWEAR

An exceptional new collection of Spring neck-
wear is now on display in the west aisle.

Organdy, georgette crepe, satin, net, lace, and
combined fabrics in lace trimmed, embroidered and
pleated effects. Collars that will give that finish-
ing touch to your Spring coat or suit.

See our Easter assortment.

SPRING CORSETS AND BRAS- SIERES

No matter how nice your new
dress or suits, it will not look well
without the proper foundation. You
can have the proper foundation by
being fitted to one of our new
Spring Bon Ton, Royal Worcester,
or American Lady corsets. Both
front and back lace models are here
to choose from.

Then, you will need one of those
new styles brassieres to corset the
upper portion of the figure. They
are made of mercerized brocade,
silk poplin, batiste, satin, sateen
and grenadine in white and flesh.

Visit our corset department in
the west aisle.

SPRING FOOTWEAR

Your footwear for Easter should be the
smartest and daintiest of the entire sea-
son.

Oxfords in black and brown are the
leaders, although lace boot effects and
pumps are meeting with favor.

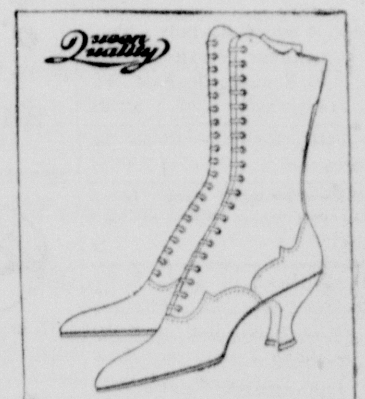

Many of our Spring oxfords, pumps,
and boots are now here—others will ar-
rive during this week. Distinctive char-
acter, perfect fit and absolute comfort
are features of these new Spring styles.

Bring us your footwear problems.

EASTER GLOVES

No matter how neat and becoming your new Spring outfit, it will
be incomplete without a pair of new kid or silk gloves.

We now have an extensive collection of black, white and colors in
kid, cape, chamois, and silk gloves suitable for Spring wear.

MADE STRONG

Mrs. Westmoreland Tells in the Following Letter.

Harrison, N. Y.—"When my first child was born I did not know about Lydia E. Pinkham's Vegetable Compound and had a very hard time. I read in the newspaper about the Vegetable Compound and when my second child came I took it and was well during the whole time, and childbirth was a hundred times easier. Ever since then I have used it and would not be without it for the world. I do all my work and am strong and healthy. I am nursing my baby, and I still take the Vegetable Compound as it keeps a woman in good health. You may publish my testimonial for the good of other women, if you choose to do so."—Mrs. C. IT'S NOT YOUR HEART;
IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ills afflicting people today can be traced back to the kidney trouble.
The kidneys are the most important organs of the body. They are the filters of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as a victim.
Kidney disease is usually indicated by weariness, sleeplessness, nervousness, despondency, backache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago.
All these derangements are nature's signals that the kidneys need help. You should use GOLD MEDAL Haarlem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Go to your druggist today and get a box of GOLD MEDAL Haarlem Oil Capsules. In twenty-four hours you should feel health and vigor returning.
After you feel somewhat improved continue to take one or two capsules each day, so as to keep the first-class condition and ward off the danger of other attacks.
Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.

Miss Bohne Declares She Feels Five Years Younger. Since Taking Tanlac.

"I have gained twelve pounds on two bottles of Tanlac and feel all of five years younger," said Miss Navonie H. Bohne, of 1514 Everett St., Houston, Texas.

"I was in such a rundown condition," she explained, "that most everything I would eat gave me trouble. My food would sour on my stomach and form gas that made me miserable for hours. My nerves were all on edges so I got little rest at night. I had terrible headaches and felt so wretched and no-account that I hardly had any life or energy left."

"I heard so many people talking about the good Tanlac has done them that I decided to try it, and it has made a new person out of me. My complexion has cleared up. I have no trouble with my digestion and I sleep like a baby. Tanlac has been a fine thing for me, and I am glad to recommend it."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, conception Junction; H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley.—Adv.

FORMER RESIDENT DEAD

Mrs. M. A. Sewell Passes Away at her Home in Eckley, Colo.

Mrs. M. A. Sewell, a former resident of Graham, died Thursday evening, April 3, at her home in Eckley, Colo. The body was brought to Mound City, Mo., for burial and the services held there Sunday, April 6.

The following account is taken from the Eckley Tribune of Thursday, April 10:

A shadow of sorrow was cast over this community last Thursday night and Friday morning, when it was learned that Mrs. M. A. Sewell had passed to the world beyond at her home in Eckley at 9 o'clock that evening after an illness of two weeks.

Nora Hamm was born November 4, 1881, and died April 3, 1919, aged 37 years, 6 months and 29 days.

She was united in marriage to M. A. Sewell at Graham, Mo., on October 10, 1908, and to this union was born one son, Richard.

At the age of eight years she united with the Methodist Episcopal Church and was an untiring worker. She was a devoted member of the Eckley Red Cross and also the Eckley Rebecca lodge.

Besides her husband, she leaves to mourn her loss, one son, a mother, sister, and four brothers, besides a very large circle of friends.

The deceased was a loving wife and mother and a faithful friend, who will

be sadly missed by her large number of acquaintances.

Short services were held by the Rebecca lodge of Eckley on Friday afternoon, and the body escorted to the train, which took it to Mound City, Mo., where the last sad rites were held on Sunday, April 6.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.
Most headaches, "dullness" and that lousy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

safely tied before we can inspect the statue of Liberty. Not to be kicking at all, but it seems to me our "bit" is pretty hard—first over—first to fight—loss the heaviest, and had the scantiest praise of any outfit. They say we are "regulars" and that's our business. We are all proud of the confidence which commanding generals have placed in us but now the first division is made up mostly of drafted and N. A. men. The old regulars lie in the field of soissons and the Argonne woods. I've gone through this man's war without a growl but it seems as though they're riding the old horse pretty hard.

But what's the use of getting all riled up and worrying you with this chatter. Fate's fate and luck's luck, I want to get back and into business. I see where Ray's (a deceased brother) out fit is going back in a month or so. Damn shame those Huns nailed him, was thinking about him the other day when I kicked a square head out of his bed. No male Hun, unless he is married is allowed a bed. Take a great delight in making these Huns stand around. The bayonet has gone out of fashion but you sure can step on their pride.

LAST VICTORY LOAN

\$4,500,000,000.00 TOTAL AMOUNT—
TO REJECT OVERSUBSCRIPTIONS

TO COMPLETE THE SERIES

Official Campaign April 21 to May 10—
Interest 4 3-4 Per Cent For Par-
tially Exempt Notes.

Washington, April 14.—Terms of the Victory liberty loan were announced yesterday by Secretary Glass. They are:

Amount \$4,500,000,000, oversubscriptions to be rejected. Interest 4 3-4 per cent for partially tax exempt notes, convertible into 3 3-4 per cent notes wholly tax exempt. Maturity four years with the treasury reserving the privilege of redeeming the notes in three years. The 4 3-4 notes to be issued later also may be converted subsequently back into 4 3-4 per cent notes.

The 4 3-4 per cent securities are to be exempt from state and local taxation, excepting estate and inheritance taxes, and from normal rates of federal income taxes. The 3 3-4 per cent securities are exempt from all federal state and local taxes except state and inheritance taxes.

Smaller Than Anticipated.
The size of the loan was much smaller than had been anticipated by most financial observers, who looked for an issue of about \$6,000,000,000, particularly in view of Secretary Glass' past statements that the loan would be five or six billions.

This will be the last Liberty loan Secretary Glass explained, although there will be other issues of government securities to finance belated war expenses. These will not be floated by popular campaigns.
None of the past issues of Liberty bonds are convertible into Victory loan notes, and there are no specific provisions in the terms of the Victory issue serving directly to maintain market prices of past issues.

Drive Opens April 21.
In many communities the selling campaign already has begun actively, without formal acceptance of subscriptions, said reports today to the treasury, although the official opening date is April 21, one week from tomorrow. The drive will continue three weeks, until May 10.

Bear Interest From May 20.
"The notes of both series will be dated and bear interest from May 20, 1919, and will mature on May 20, 1923. Interest will be payable on Dec. 15, 1919, and thereafter semi-annually on June 15 and Dec. 15, and at maturity. All or any of the note may be redeemed before maturity at the option of the United States on June 15 or Dec. 15, 1922, at par and accrued interest."
The interest rate of 4 3-4 per cent is the highest borne by any of the war issue. Financial interests have urged a 5 per cent rate, but Secretary Glass indicated recently that he regarded such a rate as excessive and speculation as to the rate recently was revolved about 4 1-2 per cent. The 3 3-4 rate of the tax exempt note into which the 3 3-4s are convertible is 1/4 per cent higher than the tax exempt first Liberty bonds, which mature in thirty years.

No Oversubscription.
The coming loan is the only loan since the first on which oversubscriptions have not been accepted in whole or in part. Compared with the \$6,993,073,000 subscriptions of the fourth loan the aggregate of the Victory issue will be nearly \$2,500,000,000 less.
Already \$5,355,000,000 certificates of indebtedness have been issued including the current issue, in anticipation of the Victory loan, but \$600,000,000 of these have been called in for immediate redemption. There will remain out-

standing 5,000 more certificates than proceeds of the Victory loan, to be met from tax receipts or from proceeds from future issues of certificates.

Terms of the Victory issue may be compared with the following terms of past issues:

First loan, \$2,000,000,000, 3 1/2 per cent, tax exempt, maturity thirty years.
Second loan, \$3,000,000,000 offered, \$4,617,000,000 subscribed \$3,808,000,000 accepted 4 per cent, partially tax exempt, maturity twenty-five years.

Third loan, \$3,000,000,000 offered, 4 1/4 per cent, partially tax exempt, \$4,176,000,000 subscribed and accepted, maturity ten years.

Fourth loan \$6,000,000,000 offered, \$6,993,073,000 subscribed and accepted, 4 3/4 per cent partially tax exempt with special conditional exemptions for past issues, maturity twenty years.

War savings stamps bear the equivalent of 4 per cent interest, and mature in five years.

WAGNER ASKS FOR DIVORCE

Farmer Recently Found Not Guilty of Incest Charge Files Petition in Circuit Court.

William Jacob Wagner, the man who was recently found not guilty on a charge of incest by a jury in the Circuit court, filed a petition for divorce from his wife, Sarah Ellen Wagner, this morning. The case will be heard at the September term of court.

The couple was married October 1, 1895 and have four children, Grace Alice, 15 years old, the prosecuting witness in the recent case; Cora, 10, Sadie Ethel, 7, and Marion Ora, 3. One son, Fletcher, 21 years old, is also living at home with his parents.

In the petition, Wagner alleges that his wife has made life "intolerable" for him since their marriage, and that she allowed the house to become "dirty and rotten with filth, and would not keep the children clean." He also gives as grounds for the divorce that she continually "quarrelled and nagged him" without provocation, and on several occasions threatened to take his life.

Wagner further alleges that his wife was instrumental in causing his arrest on the incest charge, and that she has continually attempted to ruin his reputation.

He asks complete custody of the children.

THE INCOME TAX EXPLAINED

Letter Received by County Smith Today Gives Opinion of Supreme Court.

The clause of the State Income Tax regulations, which states that any person or corporation which shall have paid a tax assessed upon his real or personal property to the State may be permitted to prevent the receipts to the collector and receive due deduction from the amount of income tax which he is to pay to the State, is explained in a letter to County Clerk Smith from the State Auditor this morning.

The letter follows:
To the Collector:
Dear Sir:—The Supreme Court has handed down an opinion in regard to the Income Tax Law and especially on Section 32, which provides for credit of State taxes paid on real and personal property.

Under this opinion, the taxpayer should present his receipt, to the collector, for State taxes paid on real and personal property and receive credit for the full amount of said state taxes paid, which income taxes are due in the same year and payable at the same time as general taxes.
They also hold under this opinion that the collector, not the assessor, shall give credit on income taxes for the amount of State taxes paid on real and personal property.

Very truly yours,
GEORGE L. HACKMANN,
State Auditor.

ANTI-SALOON MEN TALK

G. Edwin Bertch and W. S. Foreman, Prohibition Leaders, Speak at Christian Church—Other Speakers.

G. Edwin Bertch, superintendent of the Kansas City district of the Missouri Anti-Saloon League, spoke at the Christian church yesterday morning in the interest of the temperance movement, while W. S. Foreman, editor of the American Issue, the national temperance newspaper, gave the address at the evening service.

In his talk, Mr. Bertch brought out that although the victory has been won by the temperance advocates, a continual effort must be made by them to prevent the opposition from placing the saloons back in existence. "The action of the President in eliminating the saloons," said Mr. Bertch, "is merely a war measure, and we must continue the fight until the saloon is put out forever."

Mr. Bertch said that the issue now is not one of the "drys" in a wet territory but of the "wets" in a dry section. "The change is one of the greatest aides to our movement," he said.

Dr. William F. McConn presented the same issue at the Methodist church South, yesterday morning, and his discourse was a masterful one and left no doubt in the minds of his hearers as to what disposition should be made of John Barleycorn.

Rev. W. C. Shoop of St. Louis, appeared in the Presbyterian pulpit at the morning hour of worship, upholding the cause of prohibition.

OPEN CHURCH DRIVE

CENTENARY CAMPAIGN STARTED AT FIRST M. E. CHURCH SUNDAY

TO CONTINUE ONE WEEK

Reports to Be Given at Dinner Tonight—\$5,200 for Annual Church Budget.

Fourteen members of the First Methodist Episcopal church, under the direction of Dr. Gilbert S. Cox, began a systematic canvass of Maryville homes yesterday, in the interest of the centenary campaign to raise \$10,700 during the coming week. The drive by the Methodist church is apart of the great national wide reconstruction movement being made by Protestant churches of the United States for the purpose of raising funds to be used in rebuilding the war devastated lands of Europe and the spreading of Christian doctrines to the farther most corners of the globe.

The workers who started on their campaign yesterday will make a report of the contributions which they have received during the first two days of the drive at a dinner which has been arranged to take place at the Linville Hotel tonight. New plans for an efficient carrying on of the drive will be made and the members of the various teams will tell of the manner in which the best results may be accomplished. It was announced by Dr. Cox today that several dinner meetings will be held during the week at which the workers will gather and make their reports of the progress of the drive.

The campaign in this city will end next Sunday, April 20, and the completed results will be announced from the pulpit of the First M. E. Church at that time.

Of the total sum to be raised, \$5,500 is to be used in the centenary movement, while \$5,200 is to be raised as the annual church budget.

TO SUPPORT ITALY

REPORTED THAT REVOLUTION IS IMMINENT IN THAT COUNTRY

PRESIDENT TO EXPLAIN

Outlook Brighter Than at Any Time During Conference—Danger Still Remains.

Paris, April 14.—Italy's demands were considered by the "Big Four" today, with Foreign Secretary Balfour sitting in for Lloyd George who is returning to London. The United States it is understood, is ready to support the Italian economic position, which is a great help to Italy, where it is reported a revolution is imminent. Italy's demands are very broad, and it is believed that some of the Italian delegates themselves are convinced that they cannot get all they are asking for. The announcement that President Wilson will probably issue a public statement sometime during the day, created a sensation in Paris, and it was first rumored that a break was imminent. This was immediately denied, however, at the Parisian "white house." It was later explained by the President that he believed the time ripe to explain certain matters of detail connected with the proposed peace treaty. The outlook today was better than at any time since the opening of the conference. However, the entire situation is fraught with dangerous possibilities which might over turn everything on short notice.

The Function of The Standard Oil Company

(Indiana)

THE Standard Oil Company of Indiana is a great service organization whose chief function is to serve the public well by buying crude oil wherever it may be obtained; by refining it into numberless products, useful, helpful, and necessary to the well-being of the world, and by distributing these products widely, so that they shall be instantly available to the consumer wherever he may live.

Refineries and bulk storage, occupying thousands of acres and representing a cash investment of tens of millions of dollars, are required, to keep the flow of products steady.

Distributing centers from which Standard Oil products are delivered to individual customers are maintained at more than four thousand points in eleven states.

Thousands of motor trucks, which deliver the products to our customers, round out the most complete distribution system in the world.

In addition to these necessities, the Standard Oil Company maintains at all times sufficient additional equipment to meet any emergency. This was proved by the efficient work of the Company during the trying days of the great world war.

SHARP REDUCTIONS IN YOUR SHOE BILLS

"A constant 'hiker' over all conditions of roads, my shoes were hard on my feet until I discovered Neolin Soles. And as for wear! Neolin Soles give twice the service of soles I formerly used," writes H. Noyes Collinson, Hazelton, Pa.

This long service means sharp reductions in those big shoe bills, for it is because of worn out soles that most shoes are discarded. Buy Neolin-soled shoes, not only for yourself, but for the whole family, children included. Also, take your old shoes to the repairman and have them re-bottomed with Neolin Soles.

Remember—Neolin Soles are waterproof, as well as comfortable and long-wearing. They are created by Science to be all that soles should be, and are made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

NO SHEEPSKINS THIS YEAR.

Columbia, April 14.—College graduates will receive no sheepskins this year, according to Thomas O'Shaughnessy of Chicago, diploma specialist,

who said recently that graduation certificates are being issued on plain paper, camouflaged to resemble parchment. America relied on Europe for its stock of diploma material, he said, and the supply was exhausted long ago. None is being shipped at present.

How Long Must I Suffer From the Pangs of Rheumatism?

Is there no real relief in sight?

Doubtless like other sufferers, you have often asked yourself this question, which continues to remain unanswered.

Science has proven that your Rheumatism is caused by a germ in your blood, and the only way to reach it is by a remedy which eliminates and removes these little pain demons from your blood. This explains why liniments and lotions can do no permanent good, for they

cannot possibly reach these germs which infest your blood by the millions.

S. S. S. has been successfully used for Rheumatism for more than fifty years. Try it to-day, and you will find yourself at last on the right track to get rid of your Rheumatism. You can get valuable advice about the treatment of your individual case by writing to the Chief Medical Adviser, Swift Specific Co., Dept. D, Atlanta, Ga.

It is the most desirable tract of land in Barnard for building purposes. We have sub-divided it into lots and on Thursday afternoon, April 17th, at 2:00 p. m., will sell them at public auction to the highest bidder. This is the cream of Barnard property. It is high and dry. We will grade nice streets and do everything to make it a beautiful addition to beautify the growing little city. home in the future. Real-estate here is a good investment and those who wish to make safe investments will find these lots not only safe investments, but property that is sure to enhance in value and any man or woman who expects to make Barnard their home in the future to educate their children will act wisely in purchasing lots in this beautiful addition. Barnard and Nodaway County

Barnard is one of the best towns to be found in the state of Missouri, or any other state, for that matter. It is located in a good farming community, and is the trading center for a large scope of country. In Barnard you will find in every sense of the word, live, up-to-the-minute people; as pretty section of the country as your eyes ever feasted upon; excellent educational institution, church and moral influence of high order and every other advantage desired in a modern town or community. Barnard has two good banks which are among the strongest in the State and whose officials are courteous, efficient and liberal. They are for Barnard and Nodaway County, which is an asset that

will develop any community. Almost every conceivable line of business is represented in Barnard, and the merchants, business men and officials are of the higher class of men and would give backbone to a city times the size of Barnard. The merchants carry large and up-to-date stocks and do business on the "live and let live" plan. The school is one of the best in the state for a town of the size.

The wise investor will not be slow to recognize the future that is in store for Barnard, and also the fact that opportunity is knocking at the door of those who own property in Barnard. Buy a lot Thursday, April 17, 1919. Sale starts promptly at two o'clock.

HOW'S YOUR BLOOD ?

Pimples and Eruptions Mean Bad Blood

People who have impure or impover-
ished blood should be careful to take
only a temperance remedy made of wild
roots and barks such as Dr. Pierce's
Golden Medical Discovery is and has
been for nearly 50 years. Ingredients
printed on wrapper.

The first day you start to take this
reliable medicine, impure germs and
accumulation begin to separate in the
blood and are then expelled through
the eliminative organs.

In place of the impurities, the ar-
teries and veins gradually get fresh
vitalized blood and the action of this
good blood on the skin means that pim-
ples, boils, carbuncles, eczema, rash,
acne and all skin blemishes will disap-
pear. Then you must remember that
when the blood is right, the liver, stom-
ach, bowels and kidneys become healthy,
active and vigorous and you will have
no more trouble with indigestion, back-
ache, headache.

Get Dr. Pierce's Golden Medical Dis-
covery to-day at any medicine dealers,
in tablet or liquid form, or send 10c for
trial package to Dr. Pierce's Invalids'

In one instance especially I found it to be
wonderful. When my boy was convalesc-

Latest Easter Styles

HAVE you selected your Easter apparel? You will want to look your best at Easter time and in order that you may have the best in style, quality and workmanship we have put forth every effort in the selection of our Spring Stocks to secure apparel that will stand not only the test of the mirror but those that will retain the style for months to come.

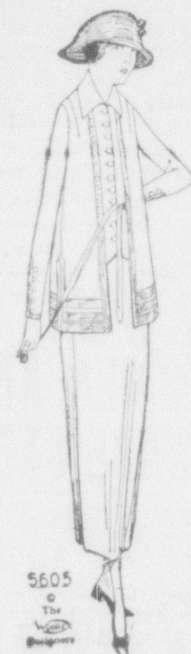

Many are now choosing their Spring wardrobe from our Easter showing, which comprises the newest and most exclusive in all lines. Come now and make your selection while the assortments are at high tide.

EASTER MILLINERY

Easter time would mean very little to most women and girls if they were not permitted to display a new bonnet. And why shouldn't you have a new bonnet? They are the crowning point to the other Spring apparel.

Our Easter assortment includes shapes direct from the designers and so new that Spring seemed delayed by comparison. A beautiful array of black, colors and combinations that will contrast or harmonize with any costume.

Make your selection now so that our trimmer will have ample time to make any change you may desire.

ATTRACTIVE STYLES

Style is a potent factor in ladies' garments this Spring. Fashion is on the rebound. Away with the sternness of military influences—women again will have their frills.

You, who have tired of the very thoughts of war, may now indulge your fancy in garments pulsing with vim and vivacity—and foreseeing this turn, we have gathered a really splendid assemblage of tailored cleverness for your choosing.

Beautiful tailored suits, coats, capes, Dollmans, dresses, blouses, skirts and petticoats—values that are really a marvel

Come and try on some of these new creations.

EASTER HOSIERY

The extensive use of oxfords and pumps, this Spring demands neat fitting hosiery.

We feature the Wayne Knit, Phoenix, and Gordon hose in black, white and colors, both in silk, lisle and cotton. These are full fashioned hose—knit to fit and give service.

SPRING NECKWEAR

An exceptional new collection of Spring neckwear is now on display in the west aisle.

Organdy, georgette crepe, satin, net, lace, and combined fabrics in lace trimmed, embroidered and pleated effects. Collars that will give that finishing touch to your Spring coat or suit.

See our Easter assortment.

OTHER SPRING ITEMS

This marvelous collection of Spring fashion is also apparent in dainty underwear of silk crepe, nainsook and muslin; silks and wool goods; ribbons, handkerchiefs, jewelry, handbags, baby goods, veils, patterns, trimmings and all toilet requisites.

These unusual assortments are the result of the efforts of our entire organization for this complete showing.

This is an ideal time to supply your entire Spring needs.

SPRING CORSETS AND BRASSIERES

No matter how nice your new dress or suits, it will not look well without the proper foundation. You can have the proper foundation by being fitted to one of our new Spring Bon Ton, Royal Worcester, or American Lady corsets. Both front and back lace models are here to choose from.

Then, you will need one of those new styles brassieres to corset the upper portion of the figure. They are made of mercerized brocade, silk poplin, batiste, satin, saten and grenadine in white and flesh.

Visit our corset department in the west aisle.

SPRING FOOTWEAR

Your footwear for Easter should be the smartest and daintiest of the entire season.

Oxfords in black and brown are the leaders, although lace boot effects and pumps are meeting with favor.

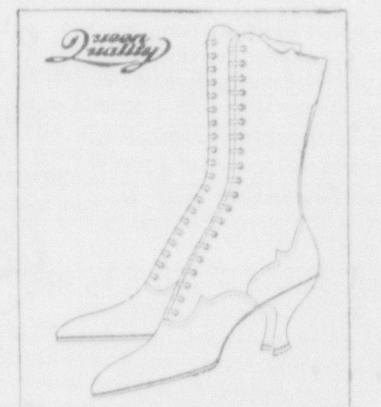

Many of our Spring oxfords, pumps, and boots are now here—others will arrive during this week. Distinctive character, perfect fit and absolute comfort are features of these new Spring styles.

Bring us your footwear problems.

EASTER GLOVES

No matter how neat and becoming your new Spring outfit, it will be incomplete without a pair of new kid or silk gloves.

We now have an extensive collection of black, white and colors in kid, cape, chamois, and silk gloves suitable for Spring wear.

HOW WEAK WOMEN ARE MADE STRONG

Mrs. Westmoreland Tells in the Following Letter.

Harrison, N. Y.—"When my first child was born I did not know about Lydia E. Pinkham's Vegetable Compound and had a very hard time. I read in the newspaper about the Vegetable Compound and when my second child came I took it and was well during the whole time, and childbirth was a hundred times easier. Ever since then I have used it for any weakness and would not be without it for the world. I do all my work and am strong and healthy. I am nursing my baby, and I still take the Vegetable Compound and keeps a woman in good health. You may publish my testimonial for the good of other women, if you choose to do so."—Mrs. C. WESTMORELAND, Harrison, N. Y.

Women who suffer from displacements, irregularities, inflammation, ulceration, backache, headaches and nervousness should lose no time in giving this famous root and herb remedy, Lydia E. IT'S NOT YOUR HEART; IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ills afflicting people today can be traced back to the kidneys trouble. The kidneys are the most important organs of the body. They are the filters of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as a victim. Kidney disease is usually indicated by weariness, sleeplessness, nervousness, despondency, backache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago. All these derangements are nature's signals that the kidneys need help. You should use GOLD MEDAL Haarlem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Go to your druggist today and get a box of GOLD MEDAL Haarlem Oil Capsules. In twenty-four hours you should feel health and vigor returning. After you feel somewhat improved continue to take one or two capsules each day, so as to keep the first-class condition and ward off the danger of other attacks. Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.

"IT WAS ONE GRAND SURPRISE," SHE SAYS

Miss Bohne Declares She Feels Five Years Younger... Since Taking Tanlac.

"I have gained twelve pounds on two bottles of Tanlac and feel all of five years younger," said Miss Navonie H. Bohne, of 1514 Everett St., Houston, Texas.

"I was in such a rundown condition," she explained, "that most everything I would eat gave me trouble. My food would sour on my stomach and form gas that made me miserable for hours. My nerves were all on edges so I got little rest at night. I had terrible headaches and felt so wretched and no-account that I hardly had any life or energy left."

"I heard so many people talking about the good Tanlac has done them that I decided to try it, and it has made a new person out of me. My complexion has cleared up. I have no trouble with my digestion and I sleep like a baby. Tanlac has been a fine thing for me, and I am glad to recommend it."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, conception Junction; H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley.—Adv.

FORMER RESIDENT DEAD

Mrs. M. A. Sewell Passes Away at her Home in Eckley, Colo.

Mrs. M. A. Sewell, a former resident of Graham, died Thursday evening, April 3, at her home in Eckley, Colo. The body was brought to Mound City, Mo., for burial and the services held there Sunday, April 6.

The following account is taken from the Eckley Tribune of Thursday, April 10:

A shadow of sorrow was cast over this community last Thursday night and Friday morning, when it was learned that Mrs. M. A. Sewell had passed to the world beyond at her home in Eckley at 9 o'clock that evening after an illness of two weeks.

Nora Hamm was born November 4, 1881, and died April 3, 1919, aged 37 years, 6 months and 29 days.

She was united in marriage to M. A. Sewell at Graham, Mo., on October 10, 1908, and to this union was born one son, Richard.

At the age of eight years she united with the Methodist Episcopal Church and was an untiring worker. She was a devoted member of the Eckley Red Cross and also the Eckley Rebecca lodge.

Besides her husband, she leaves to mourn her loss, one son, a mother, sister, and four brothers, besides a very large circle of friends.

The deceased was a loving wife and mother and a faithful friend, who will

be sadly missed by her large number of acquaintances.

Short services were held by the Rebecca lodge of Eckley on Friday afternoon, and the body escorted to the train, which took it to Mound City, Mo., where the last sad rites were held on Sunday, April 6.

"SPRING ALONG THE RHINE"

Sergeant W. R. David Writes Sister From Unterhausen, Germany.

The following letter was received today by Mrs. S. T. Gile, from her brother, Sergeant W. R. David, with the American Army in Germany:

Unterhausen, Germany, March 2. —Spring has begun to smile and the troops along the Rhine are lifting up their heads once more. We are trying everything to pass away the time till that great day when we leave this bloody country. Of course we will be the last to go being regulars, the last song will be safely sung and the Hun

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.
